

"as many as were willing hearted" - Ex. 35:22

BUSY SUMMER! Jonathan & Katrina were able to spend these 2 months with us, conducting our **VBS** and helping in every ministry. Sadly, we lost 4 souls on our little street from extreme heat or cancer. A 47 yr-old neighbor asked me to conduct his funeral, making a **death** bed profession. Katrina has begun **Bible Lessons** with his widow, who made a profession with us about 8 years ago. We were finally able to get the curtains up in the sanctuary and also wire the new video projector which will be a huge blessing for our deaf. After months of struggling, the Faulkner Family have resigned from the field and returned to the States. **FURLOUGH**: Cathy & I are returning this winter and \*need\* to raise support and report to churches. If some supporting pastors can help in getting some meetings, we would appreciate it!

Ukraine's Independence Day

Vacation Bible School was a huge success with three new moms & their children who are continuing to attend our services! We have gained our first deaf child & two neighbor girls (whose mother is a devout JW), after years of outreach to them. Jonathan and Brittaini Katrina were a great blessing in every aspect to fill in as Steven and Nina were Stateside, and made the VBS successful. The members of our little church all jumped in as well and helped reach these children for Christ.

## August Vacation Bible School

Steven and Nina return in September with Freyja. Please pray that the Lord will help them make the long back with a 4 month old infant (24 hour trip on 3 different planes).

Please pray for Artem (chemotherapy) and Sergey (Kidney). Both have been faithful to attend church and Sergey is leading the youth every Friday even when feeling poorly.

We wish to thank our supporters for their faithful prayers. The war continues to the south of us but God is keeping us safe.
