

"as many as were willing hearted" - Ex. 35:22

What a summer!! Filled with youth events and constant street evangelism, this summer was over before we knew it. We had our annual Church in the Woods camping weekend which is always a sweet time of fellowship and blessed time away from the hustle-bustle of our vast city. In August we had our annual VBS which, though down in numbers this year over previous, saw a strong participation from church folks helping in various aspects. Trying to train them for the work of the ministry! September we redid Steven's religious paperwork and our annual required "leave the country" border crossing was accomplished under God's provision and protection while traveling about 1,000 miles in 3 days out & back again. In addition to work outside, we're continuing to train men for the ministry, teaching how to study the Bible and bring bible lessons and sermons. Grateful for these opportunities to mature the church in Kharkov and bring it closer to being indigenous. Steven & Nina's work with the youth continues unfailingly, though with great challenges. Jonathan prepares for another year in language study and Katrina serves in every capacity she can. What a blessing! God is good.

After 10 years of praying, Nina's mom, Tanya, finally repented and accepted the Lord Jesus as her Saviour! What a time of rejoicing and praising!! 10 years of petitioning the Lord combined with an unwavering testimony & obedience surely move the Lord of heaven. Please keep praying for Sasha her brother and her dad. Also Kira, pre-teen daughter of one of our deaf, was led to the Lord by Nina & Katrina. She was witnessed to extensively by the daughter of a deaf couple in our church. So sweet to see the Lord saving young lives!! The church well collapsed, so we had to drill a new well, buy a new pump, etc. Huge expense! God is good!
