

"as many as were willing hearted" - Ex. 35:22

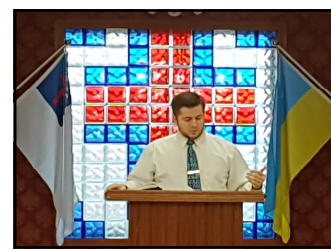

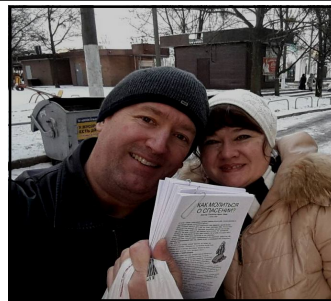

October gave us a great Harvest fellowship at the church, which our Deaf seem to enjoy celebrating. The month was our final evangelism push before winter sets in and many were reached for Christ. "Winterizing" the property & building took much time & effort. November was harder: pneumonia! For the 2nd time this year, John succumbed to serious pneumonia, even losing consciousness twice in one night. These are the reasons why we covet your earnest prayers so much! We enjoyed having Brittaini & Jonathon with us for Thanksgiving, being so thankful for the gracious provision of God. WAR: Russia captured 3 Ukrainian naval vessels and Kiev responded by declaring MARTIAL LAW! The suspension of the Constitution creates a potentially dangerous environment for foreigners. December began dumping snow! John was given 3 awards on Int'l Volunteers Day in recognition for all our humanitarian work these past 5 years since war started, including 1 from the chief bishop for "sacrifice & love to Ukraine", another from the military for meds & supplies we supply at the military hospital. These give us much credit in the eyes of the gov't. Frejya sure enjoyed Jesus' birthday cake!
