

"Holiness becometh thine house, O LORD, for ever." ~ Psa 93:5

PRAISES: Cathy finally was able to join me in America flying in on Christmas night, so we're finally able to get out these prayer letters! Happy belated holidays to all our family, friends & faithful support team! I was able to start our tiny 4-month Furlough in November and was the main speaker for Pastor Keith Troyer's Grace Baptist Missions Conference. The Lord blessed & moved in a special way and their Faith Promise missions giving was greatly increased. I was also privileged to present our ministry in some new churches in PA & OH, with the Baptist Church of Troy, OH taking us on immediately. Before leaving Ukraine, we were able to accomplish a lot of work on the church building and have seen a large number of visitors come in because of the labors of John-Steven & Nina. We're so thankful to those who have taken them on as a short-term Missions Project, souls are being reached & lives changed because of them here! I was also privileged to speak for BIMI missionary Bob VanSant down in Simferopol, Crimea right before I flew out.

PRAYERS: Gas document! We still need the Lord's intervention to get the document so we can get gas & heat in the new building. **New supporting churches while on our very brief Furlough this winter. The Lord knows our needs.

As we work round-the-clock to prepare the building before another winter hits, we continue to teach, support & help our outreach ministries to bring lost souls in. With great zeal, Steven & Nina minister in the Youth Ministries and have been doing sports activities in the parks to expand our contacts with Ukrainian youth & introduce them to a new way of life, often playing on the fields till long after dark. Our youth group is excited and it shows. We have seen immediate results & have had a huge boost in youth visitors these two months. PRAISE!

Photos 4 - 6 show John, Steven, Cathy and Nina learning new skills as we build in the house of God.

October 11th - Above lies Steven in the surgery wing in the hospital here. During a sports youth activity his hand was seriously broken requiring surgery to pin the bones back together again. Undeterred Steven didn't cancel the remaining sports activities but participated in a cast. Please pray for healing and for abundant fruit

Thank you for your steadfast prayers. We are seeing spiritual fruit and injuries avoided as we continue to labor for the cause of Christ in Ukraine. Thank You!
