

URGENT NEEDS

1. We still need a lot of help covering the repair costs to the Hilux that was wrecked a year ago. If your church could please consider a special designated offering regarding this, we would really appreciate it. We've paid out over **\$8,000** already. These 4x4 trucks are the heart & soul of our humanitarian outreach across the vast county into the villages.
2. Due to Russia's incessant targeting of the national power grid, we are under severe rolling blackouts. Temperatures right now today are 97F. With the power being taken out for days at a time, combined with the daily 6+ hours blackouts, refrigerators and freezers simply can't keep food safe. Please understand the very critical nature regarding health & safety. We need to immediately secure 2 inverter generators. **Each generator costs \$1,600usd**
If your Sunday school or men's group or church would like to take this project on, please notify our home church so funds can be tracked & accounted: 704-545-0937 Faith Baptist Church
3. IFAK these are Individual First Aid Kits, which each soldier needs to have to keep himself/herself and/or fellow soldier alive when injured. We give this with a pocket New Testament with our 24hr contact info as I continue to serve as a military Chaplain. If your Sunday School or group would like to provide some of these, we'd be thrilled to have you onboard in helping us as we reach with the Gospel those frontline soldiers who are defending us.
4. Sergei - he should be arriving in the States by the end of July and we're seeking 20 churches who want to hear firsthand how things have been here on the eastern front. Supporting bro Sergei represents an extraordinary opportunity to greatly assist in the Gospel ministry here in Ukraine. Please either contact our home church (704-545-0937) or my Skype USA number: 704-993-6766, just remember I'm still in Ukraine, +7 hours from EDT
